# APRIL PROGRAM SPEAKER: FRITZ DAVIS GET THE FACTS AND THEN ACT

How Marjorie Harris Carr and the Florida Defenders of the Environment Stopped the Cross Florida Barge Canal.

Thursday, April 22<sup>nd</sup>, 918 Railroad Avenue Social at 7:00 p.m. Program 7:30 p.m.

This illustrated talk tells the story of Marjorie Harris Carr, wife of Archie Carr, who fought the construction of the Cross Florida Barge Canal, first with the Alachua Audubon Society and then with the Florida Defenders of the Environment. This was one of the first successful grassroots environmental campaigns to challenge the Army Corps of Engineers.

Fritz Davis studied the history of science and environmental history at Harvard, the

University of Florida and Yale. *His first book: The Man Who Saved Sea Turtles: Archie Carr and the Origins of Conservation Biology* was published by Oxford University Press. He is an associate professor in the Department of History at FSU.

# **Posting Bird Sightings**

Your Apalachee Audubon Society has been posting and updating bird sightings at locations in our area. The latest posting has been at the Robert Williams Birding Trail on Orange Avenue across the bridge west of Springhill Road. We want to give a hearty thank you to the Leon County Parks and Recreation Department for installing the kiosk containing the sightings chart.

Sightings charts may also be found at the Black Swamp Nature Preserve off Orange Avenue across from the Seminole Golf Course; and at San Luis Mission Park on San Luis Road.

These charts are by species and by month so an easily read matrix indicates to viewers when and if a specific species has been seen during the month. The charts typically contain sightings over a 10-year or longer period.

The charts are most helpful to visitors to our community but may be helpful to our citizens as they attempt to identify a species they see in our bird parks. As data is accumulated, we hope to install additional sighting charts at other locations.

If you see a species that is not on the chart for a specific month, or you would like to recommend a posting site and know where to get or have the data for the chart, please contact Bob Henderson, (850) 575-6610 or bob@rkhenderson.com.

#### Apalachee Audubon Annual Awards Dinner

#### BECOME A MEMBER

# Join National Audubon Society and Apalachee Audubon!

For just \$20 a year you can be a member of both National Audubon and our local Apalachee Audubon chapter. Your membership will include *Audubon*, our bimonthly flagship publication. Each issue of this award-winning publication features beautiful photography and provocative journalism. Our chapter newsletter will keep you informed of local and statewide Audubon and other nature-related events.

You can pay for membership using a credit card by calling Audubon's toll free membership number. (*Please mention our chapter ID COZE190Z for AAS to get full credit for a new membership*).

#### 1-800-274-4201

If you prefer to pay by check for an annual membership, send your \$20 check made payable to National Audubon Society and mail to:

#### National Audubon Society PO Box 422246 Palm Coast, FL 32142-2246

Allow 4-6 weeks for arrival of your first issue of *Audubon*. The cost of membership is tax deductible except for \$7.50 (which is allocated to *Audubon* magazine).

AAS is a 501(c)3 tax exempt organization. All contributions are tax deductible. Inquiries can also be sent to 76 Dogwood Forest Rd., Crawfordville, FL 32327-0588.

**Mission Statement:** Protection of the environment through education, appreciation, and conservation.

# PRESIDENT'S MESSAGE by Ed Gartner

There's a vast difference between misinformation and disinformation. Misinformation is often, but not always, caused by error.

Disinformation is usually intentional, to promote one agenda at the expense of another using knowingly false claims. Once recognized, disinformation should be dismissed out of hand.

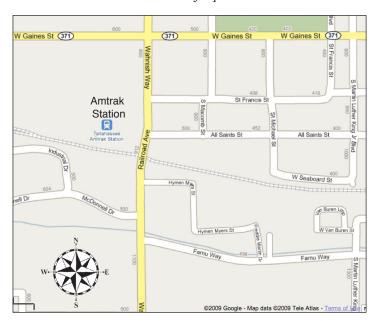

In next month's newsletter, the reason for this series on realities.

### **AAS PROGRAM MEETING LOCATION**

Historic Amtrak Station 918 Railroad Avenue Tallahassee, Florida

**Note:** A reminder that Gaines Street is undergoing construction and portions of the road will be closed between 7:00 p.m. and 6:00 a.m. Please allow extra time for potential detours.

Electronic version of this newsletter is available on the AAS web site.

TO: Members of the Apalachee Audubon Society

FROM: Birdathon Committee

DATE: April 2010 SUBJECT: Birdathon 2010

Birdathon 2010, Apalachee Audubon's major fundraiser, begins April 9<sup>th</sup> and wraps up April 25<sup>th</sup>. Please note that we are not sending individual solicitations or staffing a phone bank this year but we still need your help.

Money raised during Birdathon pays for Apalachee Audubon's environmental education programs such as Audubon Adventures. These subscription kits, developed by The National Audubon Society help 3<sup>rd</sup> through 5<sup>th</sup> graders form positive attitudes about nature and support teachers with instructional content aligned with national and state standards for Social Studies (with an emphasis on Civics), Science, and Language Arts. Each Audubon Adventures kit comes with a Classroom Resource Manual and different editions of a student newspaper. The teacher's manual includes classroom tips, hands-on activities, and background material for teachers. Each year there is a new theme, currently "Action for Planet Earth." For more information about this program visit www.audubon.org/educate/aa/index.html.

One Audubon Adventures subscription package costs approximately \$45. Birdathon 2009 funded kits for 55 classrooms in 25 Leon, Gadsden and Wakulla county schools. In 2010 Apalachee Audubon aspires to expand the program to over 100 classrooms. If we exceed this goal, we might offer scholarships for teachers to attend an Audubon Field Environmental Camp. AAS pledges that 100% of your contribution will stay in our region for local projects.

Please fill out the pledge form below and return to the AAS address on the form. You may choose to support one of the teams listed, or the combined teams. You may donate a flat sum, for instance \$10, \$25, \$50, \$100 or any level that suits your budget. Or, you may add some extra interest by pledging an amount per bird, to your favorite team or to the combined team lists. For example, if 125 species are seen by a team, at \$.10 a bird your commitment would be \$12.50. At \$.50 per bird, it would be \$62.50, etc. After Birdathon 2010, we will report our sightings and collect the pledged donations. Your gift is tax-deductible as AAS is a 501(c)3 organization and no goods or services will be exchanged for your contribution. We look forward to hearing from you. Thank you for your support!
